2017 NC-ROCAP CANDIDATE STATEMENTS

Stephen Millman, M.D.

National Delegate

I am delighted to be running again for the office of National Delegate. I have been a Child Psychiatrist for almost 4 decades during which time I have taught (UCSD), been in private practice, worked in county CMH clinics and directed several hospital and RTC Child Psych programs. I have served in several offices locally, (San Diego), Statewide (president of CALACAP) and nationally (program committee of the APA and many others too numerous to mention.) I have a strong interest in ethical issues in our profession which I see gradually eroding. I believe the AACAP needs to be more transparent, democratic, and concerned about the needs of its clinical membership.

Steve Adelsheim, M.D.

State Delegate

Mindy Young, M.D.

Member-At-Large

Stephen Sust, M.D.
